ADVERTISE WITH US

The New West Farmers Market Society is a registered non-profit organization dedicated to elevating small local businesses, supporting BC makers, bakers, and growers, and maintaining a thriving community market for all to enjoy!

Our market features farm-fresh produce, plants, quality crafts from local artists and artisans, gourmet prepared foods, community information, live entertainment, and more.

We operate weekly from late March to early November in gorgeous Tipperary Park next to New West City Hall. We have a thriving in person and online community who are eager to learn more about your business!

Rain or shine, one of my very favourite farmers markets. Great combo of local produce, food, and local artisan products. One stop shop for my meats, cheese, green and Christmas/birthday shopping.

Great farmers market with food trucks, lots of local veggies and fruit, cheese bread and baking. Most weeks we can do 80% of our shopping here. Well curated and always a buzz with activity.

The vendors were friendly and the goods were locally grown and made. I enjoyed it. It is nested in the middle of the park so you can enjoy stroll and rest in the shade at the same time. There is also live musicians too. I would return.
