About Us

The New West Farmers Market Society is a registered non-profit organization dedicated to elevating small local businesses, supporting BC makers, bakers, and growers, and maintaining a thriving community market for all to enjoy!

Our market features farm-fresh produce, plants, quality crafts from local artists and artisans, gourmet prepared foods, community information, live entertainment, kids programming, and more.

We operate weekly from late March to October in gorgeous Tipperary Park next to New West City Hall. We have a thriving in person and online community who are eager to learn more about your business!

Why Sponsor

Sponsors of the New West Farmers Market's Season Opener Block Party are giving to an organization that provides a gathering place that strengthens community and supports local farmers and small business owners. Through our Nutrition Coupon Program, we also increase equitable access to locally and sustainably grown farm fresh foods by folks community members experiencing food insecurity.

Overall, sponsoring this event supports the New Westminster community and provides an opportunity to showcase your brand to our hundreds of shoppers and event attendees!

Rain or shine, one of my very favourite farmers markets. Great combo of local produce, food, and local artisan products. One stop shop for my meats, cheese, green and Christmas/birthday shopping.

Great farmers market with food trucks, lots of local veggies and fruit, cheese bread and baking. Most weeks we can do 80% of our shopping here. Well curated and always a buzz with activity.

The vendors were friendly and the goods were locally grown and made. I enjoyed it. It is nested in the middle of the park so you can enjoy stroll and rest in the shade at the same time. There is also live musicians too. I would return.
